Those Northern Pacific 7-30 bonds will at all times before maturity be receivable at ten per cent premium (or 1.10), in exchange for the company's lands, at their lowest cash price.

price.

In addition to their absolute safety these bonds yield an income larger, we believe than any other first class security Percons holding United States 5-20 cas, by converting them into Northern Pasifics, increase their yearly income one-third and still have a perfectly reliable investment.

HOW TO GET THEM.—Your nearest bank or banker will supply these bonds in any desired amount and of any needed denominatioe. Persons wishing to exchange slocks or other bonds for these can do so with any of our agents, who will allow the highest current price for all marketable securities. Those living in localities remote from banks may send money or other bonds directly to us by express, and we will send task. Northern Pacitie Bonds, at our own risk and without cost to the investor. For further information, pamphiets, maps, &c., call on or address the undersigned, or any of the banks or bankers employed to sell this loan.
